

# BLESS A BIRTHDAY

## WHY IS THIS IMPORTANT?

Most of our children have never received a birthday cake, much less a gift on their special days. We believe each child deserves to feel special, that is why we make a point of celebrating them in their birthday month. Once a month each child that had a birthday in the previous month received a small gift and each class receives a birthday cake which is shared with friends.

## HOW DOES THIS WORK?

There are two ways you can get involved, either by sponsoring the cost of gifts and/ or the birthday cake(s). Alternatively individuals/ companies can volunteer to supply the birthday cakes.

### Sponsoring Gifts

- Each child receives a modest gift to the value of R30 (max). Gifts include an age appropriate item (toys, books etc) plus a special sweet.
- Gifts per year for the whole school works out to roughly R14 000. Sponsors can choose to donate a portion of this each month or a corporate can donate the funds needed for the whole year, any amount from R30 upwards.

### Baking a cake

- We have a team of volunteers who indicate how many cakes per month/ per year they wish to bake. Volunteers are then allocated a month(s) in which they need to bake a standard, rectangular cake.
- Cakes can be decorated as the sponsor sees fit and arrangements can be made to either deliver the cakes or for us to collect (where possible).
- We have an easy "beer box recipe" available, the cost of each cake works out to about R100 per cake (depending on how it is decorated).

Remember, as a registered non-profit organisation we are able to issue **Section 18A certificates** for all donations received. This allows you to do good whilst still being able to claim the expense back from your annual taxes.

Documents such as our audited financial statements, PBO certificate etc available upon request.

## WHAT NEXT?

If you are interested in this opportunity and would like more information on the proposal, organisation and/ or our school, please feel free to contact us.
