

# SPONSOR A TEACHER

## WHY IS THIS IMPORTANT?

Teachers form the backbone of any school and in our efforts to provide an education of excellence we believe in investing in staff who share the vision and mission of the ministry (school). As such our staff receive fair remuneration whilst we ensure that they are able to advance their qualifications whilst working.

As with many businesses and organisations, salaries make up a large part of the annual expenses and as such we have put together this proposal to give you the opportunity to “sponsor a teacher”.

## HOW DOES THIS WORK?

An individual, business, school or group of friends/ colleagues can come together and decide on which option below would suit them best. In return we would match a staff member to each sponsor (individual/ group) and provide a profile of him/ her. Every term you will receive an update on what has been happening at the school, with specific focus on the area which impacted your teacher most. Note, sponsors are never placed in direct contact with the staff member, unless specifically requested by the sponsor.

The funds received will be put towards salary expenses for that particular staff member but paid into the ministry’s account and not directly to the staff member.

Sponsorship Options	Payment Options		
	Month	Per Term	Per Year
Teaching Assistant	R4 500	R12 000	R48 000
Teacher	R9 500	R28 500	R114 000
Senior Teacher Staff	R14 500	R39 000	R156 000

Remember, as a registered non-profit organisation we are able to issue **Section 18A certificates** for all donations received. This allows you to do good whilst still being able to claim the expense back from your annual taxes.

Documents such as our audited financial statements, PBO certificate etc available upon request.
